

To Our Customers and Partners,

Limitless Research, LLC dba Alchemy Gold Research (aka AG Research) supplies peptide research materials exclusively for laboratory, in vitro, and non-clinical research applications. This letter outlines our compliance practices.

PRODUCT CLASSIFICATION

All products offered by Alchemy Gold Research are labeled and sold as Research Use Only (RUO). They are not approved by the FDA for human or veterinary use, and are not drugs, dietary supplements, cosmetics, or household chemicals.

TESTING AND DOCUMENTATION

Each batch is independently tested by Janoshik Analytical (janoshik.com) for identity and purity via HPLC / mass spectrometry. A batch-specific Certificate of Analysis is provided with every order.

MARKETING PRACTICES

Alchemy Gold Research markets its products by chemical identity, studied pathway, and mechanism only. We do not make or imply claims of therapeutic benefit, cosmetic benefit, or efficacy for human or animal use in our product descriptions, packaging, or promotional materials.

DISTRIBUTION PRACTICES

Alchemy Gold Research does not provide dosing instructions, administration guidance, or protocols for human or animal use. Customers are responsible for ensuring their use of our products complies with all applicable laws and institutional requirements.

ONGOING COMPLIANCE

Alchemy Gold Research monitors FDA guidance and regulatory developments affecting the peptide research supply industry and updates its practices accordingly.

DISCLAIMER

This statement describes Alchemy Gold Research's intended practices and policies. It does not constitute a guarantee of regulatory outcome, and Alchemy Gold Research is not a law firm or regulatory body. Customers with legal questions about their own use of research materials should consult qualified counsel.

Sincerely,

Alchemy Gold Research Team
